DEED VERIFIED PROPERTY OWNERS MASTERFILE

KB Synergy's Property Owners File is the Freshest and Most Accurate Database in the Marketplace Today!

DESCRIPTION

KB Synergy's premier **deed verified property owners database** is available to you with nationwide coverage. This particular file encompasses property owners throughout the United States, and includes both owner occupied and non-owner occupied commercial and residential properties.

SOURCE

By joining one of the largest online advertising networks, we are able to access thousands of responsive and quality business websites. These websites generate over 100 million unique users and has generated **over 85 million total deed verified property owner leads**. 75 million of these are residential property owners while 10 million of the leads cover commercial property owners.

Our database consists of permission based, opt-in businesses and consumers derived from these websites. While online, these individuals responded to an assortment of **property** related offers and filled out a registration form. They then indicated interest in receiving additional information on additional **property** offers.
